Gentlemen:

There are enclosed herewith photostat copies of some very old Westphalische Zins Coupons , the originals of which I desire to sell.

Prior to the World War an offer of two thousand five hundred dollars for them was refused. If you desire to purchase them I would be willing to sell them for two hundred dollars cash.

A self addressed stamped envelope is enclosed herewith for your reply and return of the photostat copies if the matter does not interest you.

Respectfully,

William H. von Bayer.

Dear Sir:

Referring to your communication of February 6th, and beg to advise that we are not interested in the coupons which you desire to sell and are, consequently, returning the photostat copies. We know of no place where you could dispose of them.

Very truly yours,

Curator
